

Hiring a Home Contractor

CHECKLIST

Additional Questions to Cover in a Contract with your General Contractor

- What time will workers arrive and leave on a daily basis?
- Do the workers work weekends?
- What are the approximate times for breaks during workdays?
- Are there any planned vacations during the course of the construction?
- What parts of the house will need to be accessed by the workers?
What parts of the house will NOT be accessed by the workers, and
- how will those places be sectioned off?
- What dust protection will be placed on floors, walls, and doorways?
What sort of daily job-site clean up should we expect? (Broom cleaned,
- vacuumed, etc...)
- When will the house be made clean after the job is done?
- Where will the outside dumpster be located on the property?
- When will the dumpster be emptied, and is there a schedule?
- Will there be a portable toilet on the property?
Where will the portable toilet be located and how often will it be
- emptied?
